

FUSION PERFORMANCE GROUP

WORKSHOP DETAILS FOR FIRST TIME AUDITIONS

If your dancer is interested in participating in our FUSION Audition Workshops, please read over the following information and **submit your registration and workshop payment by June 5th**.

The FUSION Audition Workshop is for dancers who are interested in joining the FUSION Performance Group. There are 3 separate parts of the FUSION Performance Group: the Jazz Co., the Tap Co. and the Hip Hop Co. Your dancer is welcome to audition for one, two or all three companies. Your participation in this workshop does not commit you to joining the FUSION Performance Group, nor does it guarantee your placement in FUSION Performance Group.

The FUSION Audition Workshop is broken down by age group and grade level. You are only required to take the classes for the FUSION group you are auditioning for, but are welcome to participate in the full workshop! The Jazz Workshop is Monday, June 14th & Tuesday, June 15th, the Tap Workshop is Monday, June 14th & Tuesday, June 15th and The Hip Hop Workshop is Wednesday, June 16th & Thursday, June 17th. You are required to attend all of the classes for that particular workshop.

After the workshops, you will be contacted via email if your dancer has been chosen to be a part of the FUSION Performance Group. You will also receive the Welcome Packet, that will include guidelines, year calendar and registration information. In September, we will have a FUSION Parent Meeting to go over details for the year. Below are a few facts and helpful hints when deciding if FUSION Performance Group is a good fit for your dancer:

How do I talk with my dancer about this opportunity?

Ask your dancer the following questions:

- 1) Is dance something you enjoy?
- 2) Do you enjoy performing in front of people?
- 3) Would you like to perform a dance more than once a year?

If your dancer answers 'yes' to these questions, chances are, this will be a good fit for your dancer. If this is your dancer's first year auditioning for FUSION, we encourage you not to present this workshop as an 'audition', simply tell them they will be attending a dance workshop with different teachers and styles of dance, kind of like a summer camp. When there is no pressure, most dancers perform better and have more fun!

How much can I expect to spend if my dancer is chosen to be a part of FUSION Performance Group?
